Sources: Frank H. Knight, *Goodreads* author page [goodreads.com](https://www.goodreads.com/author/show/Frank_H._Knight); University of Chicago Press; Liberty Fund. Years refer to first editions where known. Entries marked “—” are works whose exact first-edition year could not be confirmed from available sources. Knight’s landmark 1921 doctoral dissertation *Risk, Uncertainty and Profit* remains one of the most cited works in the history of economics. The many separately published chapter reprints of that work are not listed individually here.
