Sources: Sidney G. Winter, CV [columbia.edu](http://columbia.edu); Wikipedia; Waterstones; Goodreads; Viipuri Prize Biography (2015 Award). Years refer to first editions where known. Entries marked “—” are works whose exact first-edition year could not be confirmed from available sources. Winter is founding co-editor (with R.H. Day) of the *Journal of Economic Behavior and Organization* (1980). *An Evolutionary Theory of Economic Change* (1982, with Nelson) has been cited over 50,000 times and is widely regarded as the foundational text of modern evolutionary economics. Winter’s extensive journal article output — spanning *Strategic Management Journal*, *Organization Science*, *Research Policy*, and *Journal of Economic Behavior and Organization* — is not listed here.
